Re: Freedom of Information Act (FOIA), 5 U.S.C. § 552
Request No. **26-02765-FOIA**

Dear Mr. Haynes:

This letter is an acknowledgment of your FOIA request dated September 1, 2026, and received in this office on September 2, 2026, for records regarding the SEC (including any division, office, or staff thereof) and the Financial Industry Regulatory Authority (FINRA) regarding the OTC trading halt imposed on MMTLP (Meta Materials Inc. Series A Preferred Stock) on or about December 9, 2022, including any halt designated under FINRA Rule 6440 as an "Extraordinary Event Halt" (U3) from June 1, 2022, through the date this request is processed.

Your request has been assigned tracking number 26-02765-FOIA. Your request will be assigned to a Research Specialist for processing and you will be notified of the findings as soon as possible. We will be unable to respond to your request within the Freedom of Information Act's twenty day statutory time period, as there are unusual circumstances which impact on our ability to quickly process your request. Therefore, we are invoking the 10 day extension. These unusual circumstances are: (a) the need to search for and collect records from an organization geographically separated from this office; (b) the potential volume of records responsive to your request; and (c) the need for consultation with one or more other offices having a substantial interest in either the determination or the subject matter of the records. For these reasons, we will process your case consistent with the order in which we received your request.
